School supply orders

If you have ordered school supplies through Edu-Pac, your child will pick up school supplies from the gym on Thursday or Friday.

Agenda books will be used in each division from Grade 2-7. Students in Mme Archambault's K class will use agenda books. The cost of the agenda books is \$9. Money can be sent in beginning Friday, Sept 9.

Permanent classes may begin Thursday, Sept 8

Schools have been authorised to enrol students into permanent classes earlier next year if they are ready. We therefore aim to post class lists Thursday, September 8 at 8:00 a.m. and have students start in their permanent divisions that day. If there are significant changes to our population, we will wait another day. If one program (English or French) is ready, we will proceed to permanent divisions for that group at least as soon as we are ready. *Parents should consider the lists as posted to be final.* Thank you for your support of this complex process.
