

# P.A.C.

## Stafford Middle

The H.D. Stafford PAC welcomes parents as well as students who are both new and returning. The school year is in full swing with Christmas just around the corner and the PAC continues to promote and support education within the school community at H.D Stafford. We are consulting and making recommendations regarding PAC budget, curriculum, instructional programs, learning resources, school goals, guidelines for school conduct and much more. The PAC is currently enhancing the communication between parent/students and school staff, including school administration and the Board, on an ongoing basis.

The PAC always welcomes information, ideas, skills, talents, and volunteers that pertain to issues that we have chosen or encounter during the school year. This currently includes looking for parents and students to initiate and/or volunteer to help with fundraising (e.g. Starting a Big Brothers clothing drive with your child helping or just getting involved yourself). Volunteering is a great way to learn more about your child's school, getting to know the parents and staff, and just plain stress relief by giving of yourself and usually involves a laugh or two.

The school is also sponsoring families for the Christmas bureau. The PAC would appreciate any volunteers wanting to lend a hand. This may include counting/ rolling coins, wrapping presents, and shopping for specified items. Also, if you know if there are any businesses that are looking for a family to sponsor in our community, we can give you further information.

If you would like to get involved in any capacity but don't know where to start ????. Please feel free to come to a PAC meeting on the second Wednesday of every month at 7:00pm in the school library. (Please refer to the fridge magnets and student calendars about PAC meetings.)

You may contact me by e-mail for any questions, thoughts, or information at: [\*\*griffiths5@shaw .ca\*\*](mailto:griffiths5@shaw.ca)

Enjoy this holiday season and best wishes for the New Year.

Lori Woods
