

## LFES LIBRARY SERVICES

Langley Fundamental is fortunate to have a substantial collection of 14 000 titles. The collection contains items for all reading abilities and interests. The library is open before and after school for users.

All classes come to the Library at least once per week to exchange books. In addition, reading is encouraged by way of an annual Reading Contest in which students read at home and accumulate minutes of reading on record sheets. Incentives of various kinds are provided to reward reading.
