

## Music

Music instruction is provided to all grades. In Grades 4 and 5 the ukulele is the basic instrument of instruction and in K to Grade 3 the emphasis is on vocal development. Music plays an important part in many of our assemblies. Our annual assemblies include Thanksgiving, Remembrance Day, and Canada Day. Our Christmas Concert capitalizes on instruction provided during class time to present a major school event. All children participate.

Parents are always welcome at our assemblies. Check the newsletter and calendar for upcoming presentations.
