

Mission Statement

Within the framework of a strong commitment to standards and values foundational to our Canadian Society, and in an enabling atmosphere of order, friendliness, trust, and goodwill, it is our firm purpose at Langley Fundamental School

to equip students

with strong basic skills, knowledge and understanding delivered with consistency and continuity.

to arm students

with sound principles, self discipline, a strong work ethic, and a love for their country

to undergird students

with moral support, affection and respect,

preparing them to become outstanding contributing citizens, wherever individual potential, opportunity or circumstances lead them.
