## **L.F.E.S. Dress Code:**

Appropriate dress has become a difficult issue to address at many schools. As we are a choice school emphasizing traditional values and behaviours we have an expectation that all students adhere to the following dress code:

- clothing should be worn so that no midriffs are showing when standing or sitting
- tops should have wide shoulder straps (no spaghetti straps or tube tops)
- necklines should be modest (front and back)
- students are not to wear short shorts and no short skirts
- hats are not to be worn inside the school
- logos on t-shirts are not to be offensive in any way
