

Home Reading Program – Reading Prizes Recording Sheet

Student Name: _____

Start date: _____

Division: _____ Teacher: _____

End date: _____

You are aiming to read each night for a certain number of minutes (see below.) Feel free to read more than the minimum in a night, but it still only counts as one night! Get your parent to initial each day that you've read at least the required minutes. Kindergarten and Gr. 1 students can/should read with a parent, older sibling, etc. Ideally this sheet should be good for about 1 month of reading. Bring in your filled sheet to your teacher for signing, then to Mr. Leung. For each sheet you will get to choose a small prize. On your 3rd, 6th, and 9th sheet you can select one of the big prizes (stuffy) if you wish.
