

Administrative Procedure 182

SCHOOL BUS VIDEO SURVEILLANCE

Background

The District recognizes that the video surveillance of students and drivers on District school buses can be useful in promoting safety and minimizing disputes. The District also recognizes that the video surveillance of students and drivers is a matter of sensitivity, therefore, the District believes the use of video surveillance cameras on District school buses is to be governed by strict procedures and is only to be carried out where circumstances have shown that it is necessary to ensure safety, order and discipline, including prevention of vandalism.

On board video surveillance is to be conducted only for the purpose of promoting bus safety and discipline. Video surveillance is not to be conducted for any other purpose.

Procedures

1. Notice to Students and Parents
 - 1.1. The District will advise students and parents that a video surveillance system is in place in the District's school buses. On any bus equipped for video surveillance operation, one or more decals advising that a camera system is in place will be prominently displayed on the interior of the bus. On any route where the regularly assigned bus has been equipped for video surveillance operation, parents will be advised by bulletin prior to the camera being utilized. Notices will include contact information for the Manager of Facilities, Information and Security to answer questions about the operation of the surveillance system.
2. Access to Cameras
 - 2.1. Only supervisory staff and designated mechanical staff shall have access to the key that opens the camera boxes. Only these employees shall handle the camera or digital recordings.
3. Storage of Digital Recordings
 - 3.1. Storage and digital recordings will be removed as per [Freedom of Information and Protection of Privacy Act \(FOIPPA\)](#) legislation.
4. Viewing of Digital Recordings
 - 4.1. Monitors for viewing Digital recordings shall not be located in a position that enables public viewing.

- 4.2. Any parent is entitled to view a digital recording which includes their child/children. Students may view segments of the digital recording relating to themselves if they are capable of exercising their own access to information rights under the *Freedom of Information and Protection of Privacy Act*. A student or parent has the right to request an advocate to be present. Viewing may be refused or limited where viewing would be an unreasonable invasion of a third party's personal privacy, would give rise to a concern for a third party's safety, or on any other ground recognized in the *Freedom of Information and Protection of Privacy Act*.
- 4.3. Viewing will take place only at the Maintenance Facility or at the school by appointment with appropriate District officials.
- 4.4. Digital recordings shall not be shown to anyone other than District staff, or the parents of the students involved, or the students themselves. Among District staff only those employees with a direct involvement with the recorded contents of the specific digital recording shall be permitted to view it.

5. Retention of Digital Recordings

- 5.1. Storage and digital recordings will be retained as per *Freedom of Information and Protection of Privacy Act (FOIPPA)* legislation.
- 5.2. Where an incident raises a prospect of a legal claim against the District, the digital recording, or a copy of it, shall be sent to the District's insurers.

6. Review

- 6.1. The transportation contractor is responsible for the proper implementation and control of the video surveillance system.

7. Improper Use

- 7.1. Video monitoring is to be restricted to the uses indicated in this Administrative Procedure. The District will not accept the improper use of video surveillance and will take appropriate action in any cases of wrongful use of this Administrative Procedure.
