

Administrative Procedure 302

CANADIAN STUDENTS – OUT OF PROVINCE FEE

Background

The District recognizes that on occasion, Canadian families not ordinarily resident in British Columbia may wish to have their children attend a District school. Such families do not meet Section 82 (2) of the [School Act](#), which states that a student is resident in a District if the student and the student's parent is ordinarily resident in the District and the person designated as the guardian of the student is ordinarily resident in British Columbia. Such residency is required in order for the District to receive Ministry of Education funding.

Procedures

1. Since funding is not received from the Ministry of Education, a fee will be charged to these students. The fee will be up to the equivalent of the amount the District would have received if both the student and parent met residency requirements, including any special program funding.
