

## **NEW SCHOOL SITES**

### **Background**

Where possible new school sites shall be purchased in conjunction with the City of Langley or the Township of Langley and developed for joint school grounds-park sites to benefit the community at large.

### **Procedures**

1. The Secretary-Treasurer is to enter into discussion with the City of Langley or the Township of Langley to identify a joint school grounds/park site and with the approval of the Board, enter into an option agreement to purchase the school grounds site portion of the joint property at a future date.
2. An option agreement signed under this Appendix shall contain clear language that provides the District a provision not to exercise the option.
3. Upon availability of necessary funding, the Secretary-Treasurer is authorized to engage legal counsel to develop a purchase agreement to acquire the site from the land owner.
