

*September 28, 2021*

***A Message from the Langley Board of Education***

*On behalf of the Langley Board of Education, we would like to extend our heartfelt apologies to the Indigenous community for the discussion and comments expressed at the Regular Meeting of the Board on September 21, 2021.*

*We acknowledge that we must be more collaborative and respectful in order to honour our commitment to reconciliation and the people whose traditional and unceded territory the Langley School District resides on.*

*We will do better.*

*Thank you,*

*Rod Ross, Chair  
Langley Board of Education*
