

Happy Holidays from the Langley Board of Education

This has been another challenging year for all of us in the education system. As a Board, we want to commend all our students, staff, families and community partners for working together to ensure we ended the calendar year healthy, safe and successful. We continue to see throughout the year so many examples of amazing things happening in our District, from the opening of a new elementary school, the return of extra-curricular activities and events, to celebrating student learning in and out of the classroom.

We are so proud and grateful to all of you for your support. We recognize that everyone plays a role in helping make this District an *innovative, inspiring and unified learning community*.

On behalf of the Langley Board of Education, we wish you and your loved ones a healthy, safe, and restful Christmas break. As we look forward to 2022, we hope the new year will bring a renewed sense of optimism to us all.
